OXYGEN THERAPY FACIAL

Single Treatment - 40 mins £58

Course of 5 Treatments, 1 Treatment Per Week £235

Oxygen delivery is based upon the latest medical research of injection technology, without the use of needles, and has been adapted for cosmetic use to give an intensive and safe treatment. Active ingredients penetrate through the natural spaces between the epidermal skin cells and into the deeper layers, where they are able to develop and maintain a positive effect. With a range of serums for targeted solutions, our oxygen therapy facial promotes collagen production, reduces lines and wrinkles, and restores skin vitality. The oxygen therapy facial strengthens, stimulates, plumps, energises and nourishes the skin. This cooling and calming therapy continues to work after your appointment with optimum results being achieved 2-3 days post-treatment.
